Sir:

It has come to our attention that the PTO does not have a record of a Response that we filed on June 13, 2006. Accordingly, submitted herewith is a copy of that response, along with a copy of a payment authorization that was filed with the response, and a copy of our post card receipt.

It is asked that the Office records be corrected to indicate receipt of that response on June 13, 2006 and that the response be forwarded to the Examiner.

Respectfully submitted,
